ABOUT ME

I am a Computer Science student at Neapolis University Pafos, currently pursuing a Bachelor of Science in Applied Computer Science. Prior to university, I completed a programming course at IT Academy Step, where I gained hands-on experience in software, web, and game development. During my studies, I have participated in team projects, taking on responsibilities such as coordinating tasks, reviewing code, and contributing to project design, which helped me develop teamwork and problem-solving skills.
